New Spray Gun Lube from DeVilbiss Automotive Refinishing

DeVilbiss Automotive Refinishing has introduced an all-new Spray Gun Lube, part number 803888. The Spray Gun Lube contains no petroleum distillates or silicone and is compatible with all paint materials. Twelve bottles of the orange colored lube are included in each display box. The new 803888 replaces the current Spray Gun Lube offering, SSL-10/181001.

Part number 803888 is now available for immediate purchase in the United States and Canada.

DeVilbiss Automotive Refinishing (www.autorefinishdevilbiss.com) is a leading global designer and manufacturer of refinishing equipment and productivity products. DeVilbiss offers a broad range of solutions for the refinishing market including spray equipment, disposable paint cups, air filtration, dirt control products, and more.
